Superintendent's Highlights

We are in our 2nd year of a 5-year curriculum/assessment alignment project. Last year, during 16-half day inservices, we aligned our curriculum in Language Arts, Math, Science, Social Studies, Fine Arts, Technology, and Health/PE. This year during inservice we have completed scopes and sequences k-12 in all of these areas. Teachers are currently working on lesson plans and unit plans that reflect our newly aligned curriculum. Next year, our focus is on assessment alignment and analysis.

We are fortunate to have received a Comprehensive School Reform (CSR) grant, which will provide \$50,000.00 each year for the next 3 years for the purpose of comprehensive school reform. We will use the Effective School model.

We are in our 3rd year of Levels Testing (MAP) implementation and are excited to be adding our 2nd and 9th graders to Levels testing this year.
